

Return Policy

1. **Call 800-543-0575 for return merchandise authorization (RMA) number.** No returns are accepted without an approved RMA # prior to sending the product back
2. **All returns must be within the first 30 days of the product shipped date**
3. **The product must be returned in like new condition.** There can't be any changes to or writing on the unit itself
4. **All documents associated with the product must be returned** along with the unit itself
5. **All shipping charges** for the return of the unit are the responsibility of the end users
6. **All shipping charges** associated with the original shipment of the order are nonrefundable
7. **There will be a \$20.00 restocking charge** applied to the return of the unit

Once we receive the unit and it has been inspected and approved for resale we will contact the end user and issue the refund for the unit.
